***All queries should be directed to the individuals organising the activities and not to the class teacher/ school secretary.***

All personnel involved in the organisation of extra-curricular activities must be garda vetted and appropriate insurance cover must be in place. All relevant school policies such as; child protection, code of conduct, code of discipline, anti-bullying, mobile phone, substance use, school tours, internet acceptable usage policy, photographs and administration of medication apply to all extra-curricular activities organised through school.

In general all activities organised after 4.00pm each school day are facilitated by Diswellstown Community and Recreation Centre.

## **Children attending Extra-Curricular Activities**

Children attending extra-curricular activities must exit the school building with their class and line up on the designated line outside the Diswellstown door. Please ensure that the organiser of your child's extra-curricular activity/activities is fully aware of your collection arrangements. The organiser of the activity should have your contact details and you should have theirs.

**Please inform your child to go to reception if he/she is in any doubt about the cancellation of an extra curricular activity or collection arrangements.**
