

## **Withdrawal from class**

Children are withdrawn from class for various reasons such as:

- Attending support classes.
- Assisting with 'out of class learning tasks' such as art projects, decoration of corridors, school hall etc.
- Partaking in drama, music, art, workshops etc.
- Preparing for school events.
- Working on a particular project or topic with their class teacher or a support teacher.
- Taking a test which must be administered on a one to one basis.
- Taking a test for which a child was absent.

Parental permission is sought in advance where the withdrawal is regular and sustained. We do not seek written permission for occasional withdrawal.

However, if you do not want your child withdrawn from class in order to participate in alternative learning activities please inform the class teacher in any given school year. Such a request would not apply to withdrawal by way of sanction for misbehaviour.
